PERIOPERATIVE LEADERSHIP RETURN YEAR OVER YEAR TO SOURCE SOLUTIONS & INNOVATIONS

For the last 35 years, perioperative leadership from health systems, hospitals, and ambulatory surgery centers attend the OR Manager Conference to learn how technology and product advancements will affect their daily operations, connect with like-minded peers, and gather new ideas and strategies to apply within their teams.

One of the top reasons perioperative decision-makers attend the conference each year is to learn about and purchase the latest products and services that can increase efficiencies and operations within the surgical suite.

This is the ideal conference to showcase your innovations with perioperative managers, directors, VPs and C-suite leadership.

2022 Exhibitor commends the high-quality interactions with attendees:

[OR Manager Conference] was the perfect opportunity to demonstrate capital products to major decision makers (new and old customers).

2022 Attendee emphasizes importance of exhibitor connections for current and future needs:

Make a plan for going through the exhibit hall and make a point and stop and visit with vendors that may have something to offer you even if you are thinking of your budget 2-3 years down the road. It was a nice opportunity to actually see some of the products that I know I am going to need to purchase.

REVERSE EXPO

SUNDAY, SEPTEMBER 17, 2:00-5:00 PM

OR Manager Conference's Reverse Expo puts you directly in touch with the decision makers of the surgical suite. Only those who possess purchasing power and participate in capital decisions are invited to participate. Mutual preference matchmaking ensures you are meeting with prospects you *know* are a good fit. Participants are required to confirm their participation and offered incentives to complete their assigned meetings.

Attendees enjoy the Reverse Expo because it allows a dedicated time to speak freely about their organizational needs, and receive undivided attention from sales representatives. Plus, they can learn more about your products and services by visiting your booth afterwards! It is a great opportunity to generate warm leads.

Cost: \$4,000 LIMITED AVAILABILITY & SELLING FAST!

HOW DOES THE REVERSE EXPO WORK?

Think speed dating for business! Suppliers and hosted buyers are matched based on attendee profiles, purchasing needs, and supplier preferences. Both buyers and suppliers receive a schedule in advance, and suppliers will travel from table to table to meet face-to-face in a controlled environment while onsite at the event.

Suppliers are guaranteed 8-minute meetings with 15 qualified prospects, and will receive detailed profiles on each prospect prior to the event.

NEW THIS YEAR: Reverse Expo is running unopposed to any other conference programming. Following the event will be a reception to continue networking, complete with beverages and hors d'oeuvres.
